

Mid-West Region Parents, Players, and Team Reps,

The following list of 21 student athletes are invited to attend the "Final Tryout Session" on Saturday March 21st in Des Moines / Metro Ice Facility. These 21 players will compete with the remaining players on our tryout list who were unable to make it on the 14th, for the 20 spots on our Chicago Showcase roster and for the 5 alternate spots.

If anyone on this list can't make the session on the 21st you need to notify me through email that you will not be able to attend. If you are unable to make the tryout on the 21st, your performance on the 14th will be weighed against all of those invited back on the 21st to decide on the final selection for the Showcase roster.

I want to thank all of those who tried out. The process of selecting a team is always a tough one with tough choices that had to be made. As I told everyone, I hope that the experience was a good one for everyone and worth the time and effort that it took to get to Des Moines. Everyone worked hard, and did what we asked, and our staff appreciated that. Whether you are on this list or not, I would be happy to help any of you out in any way I can as you move forward in the future. If there is anything that our staff can do in regards to providing feedback to you, please let us know. Between all of us we should be able to give you some productive feedback.

Again on behalf of myself and our Team Midwest staff, I want to thank all of you for putting in the time and giving a great effort on Saturday.

Coach Schmale
